At Kettering College, we offer an

award-winning education!

At Kettering College, we've developed our curriculum to match the needs of today's health care environment. Our award-winning education explains why so many of our departments have 100% job placement for our graduates. In addition, our graduates have more than a 90% pass rate in all courses of study on state and national licensure board examinations.

We have been named a "Best Value School" for four consecutive years. We also were ranked #1 in Ohio (#16 nationally and right behind Harvard) for being a value-added college by the Brookings Institution.

2+2 Bachelor of Science in Nursing

The 2+2 pre-licensure BSN degree is an innovative 4-year program designed to prepare individuals for professional registered nursing practice and leadership. The degree consists of 127-128 semester credits, including 64 credits from arts and science courses and 63 nursing credits.

Students begin by taking two prerequisite years of general education courses at Hong Kong Adventist College affiliated program with Andrews University which provide a solid foundation. Students begin nursing courses in year 3.
