ONE PIECE

『ONE PIECE』（ワンピース）は、尾田栄一郎による日本の少年漫画作品。『週刊少年ジャンプ』（集英社）にて1997年34号より連載中。略称は「ワンピ」。

概要
海賊王を夢見る少年モンキー・D・ルフィを主人公とする、「ひとつなぎの大秘宝（ワンピース）」を巡る海洋冒険ロマン。

夢への冒険・仲間たちとの友情といったテーマを前面に掲げ、バトルやギャグシーン、感動エピソードをメインとする少年漫画の王道を行く物語として人気を博している[2]。また、長年にわたりながら深く練り込まれた壮大な世界観・巧緻な設定のストーリーも特徴。

2019年10月現在、単行本は第94巻まで発行されており、『週刊少年ジャンプ』歴代作品の中では『こちら葛飾区亀有公園前派出所』（1976年 - 2016年）に次ぐ長期連載となっている。国内累計発行部数は単行本第95巻発行時点で、日本の漫画では最高となる3億9000万部を突破している[3]。また、第67巻は初版発行部数405万部[4]、第66巻は初週売上227万5000部[5]の国内出版史上最高記録を樹立するなど、出版の国内最高記録をいくつも保持している。

Moodle Setup Rubric

Copy (Re-use) a Rubric

<https://help.sunwestsd.ca/support/solutions/articles/22000233964-how-to-create-edit-and-copy-a-rubric-in-your-online-course>

Instead of defining a new grading form from scratch, you can make a copy of an existing Rubric from any of your online courses by choosing to use it as a Template. You can then edit the copy to fit the assignment you are grading without affecting the Rubric you copied.

1. Click “turn editing on” at the top right of your course homepage.
2. Go to the section of your course where you want the new assignment activity.
3. Click the “+ add an activity or resource” link, select assignment and click the add button.
4. Enter the name and description of the new assignment.
5. Configure the settings for your assignment, and from the “grade” section select rubric as the grade method. (You can also set the maximum points for the assignment and choose the category in your gradebook at this time.)
6. Click “save and display.” This will bring up a screen to create or load the rubric.
7. Click “Create new grading form from a template.” The “Grading forms search” screen will open.
8. Check “include my own forms” and click search. This will give you a list of the Rubrics you have already created throughout all of your online courses. You can also search for a particular Rubric by typing its name into the search box. (This is why a useful name is important when creating your rubric).
9. Click “use this form as a template” next to the rubric you want to use and click Continue. The rubric is ready to use with your assignment now.
10. You can make additional changes in the rubric by clicking “edit the current form definition”. Note: The changes you make here will only affect the rubric associated with the current assignment.
11. When you are done making changes and editing, click Save.
