PERMISSION TO TAKE CLASSES – Undergraduate

Off-Campus SiteSemes	ter
----------------------	-----

This form should be used for Non-Degree seeking students who wish to take courses for personal growth or to supplement a degree pursued at another institution. However, it is the responsibility of the student to make sure these courses will transfer to that institution. AU does not track degree progress for Non-Degree seeking students, so plan accordingly. Students should be at least a senior in high school to take AU courses.
