Diploma in Pre-University Studies

Hong Kong Adventist College 香港三育書院

Hong Kong Adventist College (HKAC) established in 1903, is a four-year liberal arts college founded and supported by the Seventh-day Adventist Church. It has a strong tradition of providing quality education with an emphasis on developing the potential of the whole person. The integration of faith and learning provides a unique academic environment for students from a variety of culture and religious backgrounds.

The Programme

The Diploma in Pre-University Studies is a one-year locally accredited programme designed for students who are interested in university education. The main purpose of this diploma is to equip students with academic skills for university studies. Through a year of study, students are academically and professionally prepared in English and Chinese communications in areas such as social science, mathematics, computer, health, psychology, and / or business.

Programme Objectives

1. To improve students' personal and academic preparation for university．
   建立自信及提升個人能力

2. To increase students' confidence in utilizing basic communication skills．
   掌握英語溝通技巧

3. To furnish students with a broad background and discipline in specific knowledge．
   靈活應用社會科學和數理知識

4. To advance students' development of Christian moral, ethical, and social responsibilities toward society．
   理解道德觀念及社會責任
