## Bachelor of Social Work 社會工作學士

The Bachelor of Social Work (BSW) degree is a professional degree which prepares graduates for generalist professional practice and/or the opportunity to be admitted to a Master of Social Work (MSW) program with advanced standing within appropriate advanced standing GPA guidelines.

The foundation curriculum consists of 12 core competencies that are required in every BSW program:

1. Values and Ethics
2. Professionalism
3. Diversity and Differences
4. Human Rights and Social Economic Justice
5. Human Behavior and the Social Environment
6. Social Welfare Policy and Services
7. Social Work Practice
8. Research
9. Critical Thinking
10. Contextualization
11. Global World View
12. Christian Perspective

Throughout the curriculum, the program integrates concepts of professional ethics and values, critical thinking, sensitivity to diversity, oppression, social and economic justice, and populations-at-risk. Field education is an integral component of the program.

BSW students are able to receive a **Child Welfare Certificate** after completion of the requirements. Requirements include completing SOWK 410 Children and Families at Risk, SOWK 440 Assessment and Treatment of Victims of Violence, they would also complete an elective course relevant to child welfare practice. Students must complete their 400 hour internship in a Department of Human Services Child Welfare area such as Child Protective Services or Foster Care.

# Student Learning Outcomes

Students who complete the BSW program will:

- Demonstrate ethical and professional behavior.
- Engage diversity and difference in practice.
- Advance human rights and social, economic, and environmental justice.
- Engage in practice-informed research and research-informed practice.
- Engage in policy practice.
- Engage with individuals, families, groups, organizations, and communities.
- Assess and Plan with individuals, families, groups, and communities.
- Intervene with individuals, families, groups, organizations, and communities.
